REMARKS

SEP 12 2006

The Office communication mailed 08/31/2006 issued a "Notice of Non-Compliant Amendment (37 CFR 1.121)" regarding an amendment to the claims. The item identified by the Examiner as causing the document to be non-compliant relates to the status identifier provided for claim 35. While the amendment at issue is not expressly identified in the Office communication, Applicant believes that the Examiner referred to the most recent amendment that was filed on April 24, 2006 in response to the Office communication mailed 01/26/2006. To bring the amendment document in compliance with 37 CFR 1.121, Applicant hereby submits the corrected section of the amendment document, which is a complete listing of all the pending claims, where a correct status identifier for claim 35 is provided. Because the non-compliant amendment document at issue is a non-final amendment, Applicant is given one month (or 30 days, whichever is longer) from the mailing date of the Notice to supply the corrected section. This reply is filed within the given time period.

Respectfully submitted,
